

Create Account

1. Visit AgMRI.com.
2. Click Create Account.

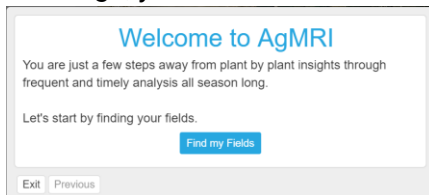

3. Complete the signup form and click Create Account.

The screenshot shows the "Create Account" form. It includes the IntelinAir logo in the top left corner. The form has five input fields: "First Name*", "Last Name*", "Company Name*", "Title", and "Email". Each field has a small blue arrow icon on the right side. The form is set against a light gray background.

4. AgMRI will generate an email for you to set a password. Follow the instructions in the email and log in.
5. Once logged in, click Find my Fields on the welcome message. (If you've exited out of this message, you can also add fields via the blue plus sign in the upper left of the screen.)
